

# PROTECTIVE FACE SHIELD

by Graffiti Shield Inc.

## Shielded Protection

---

Transparent Polyester shield designed for an optically clear view providing protection to face, including eyes, nose, and mouth from exposure and direct contact. Durable and suitable for splash, spray, and light impact applications.

---

- Optically clear shield
- Durable, retaining its shape for long periods of time
- Maximized strength and durability
- Velcro system allows easy adjustments for a custom fit
- Minimal design, enabling less contact for use, minimizing contamination
- Reusable and cleanable (Non-Sterile)

### Three options available:

Face Shield: Assembled with velcro and padding

Pre-cut: Transparent Polyester design packaged flat, not including velcro or padding

Roll: Transparent Polyester material in a 59"x95' roll

*\*Wearing eye protection when wearing face shield is highly recommended.*
